REPORT OF FOREST FIRE WARDEN

Once again we are about to enter another forest fire season and once again your town forest fire warden is asking you to be careful of fires in our woodlands and along our roadsides. There is nothing more displeasing to the eye than an area of blackened waste. Nine out of ten of these blackened areas are caused by You and You. It is only with your cooperation that we can prevent such an area in our town. A great part of the men and women of this area depend on timber for their weekly pay check, and by you and you being careless, these people are being deprived of a living. We can't even try to prevent fires caused by lightning, but the number of fires caused by this agent is very small. It is you as a smoker, as a debris burner,—you as a careless person. who can do a great deal in preventing this most shameful waste of our natural resources.

You can help by making sure your smoking material is out —DEAD OUT, your incinerator is air tight, the area around it is cleaned of all burnable material, that you have had it inspected by your forest fire warden, that you have asked for and received a permit to burn from your forest fire warden. By doing these things the number of fires are going to be fewer and you will have woodlands to hunt in, to have picnics in, to be able to fish the stream. You will also be proud of your green mountainsides. By not doing this you will not enjoy yourself at all. It is not too long ago that most of us can still remember the fall of 1947, and we all know that most of these fires during that period could have been prevented if everyone was careful. So, it is only You and You that can prevent this most shameful waste of our woodland by this common enemy—FIRE.

Please remember it is a proud record for you to say that my town had no woods fires this past year and it is only through you and you that this goal can be reached. So, please help us to prevent forest fires.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Ossipee:

For the school year 1951-1952 the teachers in the Ossipee Central School were as follows: Principal, Mr. George Colby to December 31, 1951, and Mr. Arthur Enman from January 1; Grade 8, Mrs. Grethel May, Grade 7, Mrs. Dorothy Webb; Grade 6, Mrs. Mabelle Stevens, who was succeeded by Mr. Joseph Belisle November 1; Grade 5 Mrs. Edna Kennard, succeeded by Miss Frances Eldridge January 1; Grade 4, Mrs. Leda Knapp; Grade 3, Mrs. Florence Eldridge; Grade 2, Mrs. Lillian Godfrey; Grade 1, Mrs. Alice Loud.

Mrs. Mabelle Stevens resigned because of ill health. Later in the year her death was mourned as a serious loss by pupils and staff. Mrs. Edna Kennard, who had served with distinction for several years, retired at the close of school in December. Mr. Joseph Belisle of Lebanon, N. H., was a graduate of Keene Teachers' College. He resigned at the close of the year to accept a position in the schools of Montclair, N. J. Miss Frances Eldridge is a graduate of Plymouth Teachers' College and has several years' experience. She came here from the Laconia, N. H., school system. We were fortunate to secure such competent teachers in the emergency. Mr. Arthur Enman is a graduate of the University of New Hampshire, and has completed courses at the same institution for his master's degree. Besides doing all the administrative work, Mr. Enman teaches the boys' shop classes, grades 7 and 8, and takes the classes of other teachers to free them for the instruction periods in physical education, music, and other activities. The principal also directs the testing program, and this year is giving special

testing in analysis of reading difficulties and providing remedial reading instruction in small groups or to individuals when advisable.

Through the efforts of Mrs. Marion Davis, R. N., the School Nurse, a complete dental operating unit has been installed in a room used exclusively for dental work. She has also arranged for the services of a dentist who is present on certain days of the month. This is a very valuable service and an important contribution to the welfare of the children. The carpenter work necessary in the preparation of the dental room, and the painting, were done by shop classes.

The wide variety of activities provided in the Osage Central School under the direction of several teachers enables the pupils to gain experience in several fields according to their abilities and interests. These activities promote good citizenship, develop inherent talents, and provide experiences that are valuable to the pupils during their high school careers.

A total of 65 high school pupils enrolled in 1951-1952, as follows:—Kennett High School, 59; Spaulding High School, 4; Brewster Academy, 1; Fryeburg Academy, 1. Eleven seniors were graduated.
